

# *THE LARGEST SINGLE EXPENSE IN YOUR LIFE TIME ARE YOUR TAXES!*

Dear Fellow Tax Payer,

Did you know that the taxes you pay exceeds what you spend for food, clothing, lodging and transportation combined? Discover the tax strategies that Congress has given us to help with the tax burden.

## **Your #1 Expense!**

Federal and State Income Taxes are your largest ongoing expenses, year after year. It doesn't have to be that way. Take full advantage of all the IRS tax breaks that already exist, and keep thousands more of what you earn, for the rest of your life.

## **These Tax Breaks Are Legal, Ethical & Moral.**

Congress is trying to help the public by passing laws to help people keep their hard earned money, you just have to know how to do it. These strategies are simple and have been used by thousands of average people to save thousands of dollars year after year.

## **Taxes Are The Key To A Happier Wealthy life.**

Did you know that 95% of the people in America when they reach age 65 don't have adequate money to retire? By implementing these easy to understand strategies you will be shown how to change that dramatically. You can use the extra funds to set aside for retirement, or get yourself out of debt in the next few years. The reason most American families are not able to get ahead is because they are being crushed by the tax load. By the time they get finished paying taxes and interest on various loans there is almost nothing left.

## **Reduce Bankruptcy Threat.**

It is a fact that 85% of all personal bankruptcies could have been avoided if the individual or family had just another \$300 cash per month! Where could they have gotten the extra \$300? By legally reducing their income taxes and keeping more of what they already earn.

## **How Do You Accomplish This?**

By becoming a business owner or self-employed person. A good business or home based business will help you make the money necessary. Working your business or home based business, even part time, with an intent to make a profit, in a business like manor and keeping proper documentation, you will have the tax laws work for you. Thanks to Congress and the IRS many of your expenses are deductible as a business owner. Simple tax strategies will help you get control of your taxes and create financial wealth. In the best selling book **The Millionaire Next Door**, the authors did a study of self made millionaires in the United States and what they found is that self made millionaires were business owners or self employed and that they were able to get their taxes to the *legal* limit. **So now you know some of the secrets of the rich.**
